3. Squadding

As decided at the SAMSSA AGM, each competitor will be expected to perform Range Officer (RO) duties as per squadding details. Competitors who fail to do duty as RO, will forfeit their scores. Competitors must make provision in their time on the range for at least one RO duty.

You may not shoot an event while you are performing RO duties.

Competitors who enter for 10 events may be squadded back to back (to allow for RO duties) which implies that the competitor should arrange for his/her own spotter/scorer.

Please note that competitors who miss their allocated squadding, forfeit their chance in that particular event.

Final squadding will be available on the FSMSSA and SAMSSA websites by Monday 24 August 2025.

Drug testing may be performed during any part of the competition. Any competitor, who refuses drug testing, will be disqualified from the competition.

Official shooting starts at 08:30 each morning, except for
